Re: SEC v. Taylor, et al., 19-cv-07944 (LAP)

Dear Judge Preska:

The Securities & Exchange Commission ("Commission") writes to respectfully request the Court's permission to strike the original Complaint filed on October 22, 2019 (ECF No. 1) in the above-captioned matter. On October 25, 2019, the Court authorized the Commission to file a replacement complaint in order to remove the name of a third party, who was erroneously named in the original Complaint. (ECF No. 4) However, the clerk's office has advised counsel to the Commission that the original Complaint cannot be removed from the public docket without a court order that specifically directs that the original Complaint be stricken from the record. Counsel was directed to file a letter with the Court seeking this relief.

Accordingly, the Commission requests that the Court order that the original Complaint (ECF No. 1) be immediately removed from the public docket and stricken from the record.

We greatly appreciate the Court's assistance in this matter.

SO ORDERED

LORETTA A. PRESKA  
UNITED STATES DISTRICT JUDGE

Sincerely,

Assunta Vivolo
